THE GAME MEETS THE LAKE

BallParks National is a year-round destination sports complex at the Lake of the Ozarks – championship outdoor diamonds and turf fields anchored by The Lab, an all-new climate-controlled indoor fieldhouse that keeps the campus in full operation 365 days a year.

ATHLETES/SEASON

365

DAYS ACTIVE

■ THE LAB – INDOOR

■ Synthetic Turf Field

Converts in minutes between baseball, softball, soccer & lacrosse.

■ Perimeter Running Track

Full indoor track for speed, agility & conditioning.

■ Performance Center

Year-round skills work, camps, clinics & team practice.

■ Climate-Controlled

Play & train every day regardless of weather.

■ THE OUTDOOR COMPLEX

■ 12+ Championship Diamonds

Tournament-grade baseball & softball with pro presentation.

■ Multi-Sport Turf Fields

Soccer, lacrosse, football & flag on full-size fields.

■ Stadium & Spectator Areas

Anchor stadium, shaded seating & family gathering space.

■ On-Site Lodging & Dining

Hospitality, concessions & retail across the grounds.

WHY IT MATTERS

Beat the weather · unlock the off-season · deepen athlete loyalty · anchor premium sponsorship · drive lodging and food & beverage in every season. The Lab converts a seasonal operation into a stabilized, year-round revenue engine.
